—

Blaise *started a private chat with* ***Hermione***

Blaise: hey

Blaise: so

Blaise: funny story

Blaise: i know Neville's username but he asked me not to tell anyone

Hermione: Hi, Blaise. What do you mean he asked you not to tell anyone? And why are you the only one who knows it?

Blaise: so i might have had detention in the greenhouses the other night and i might have been hiding behind a banyan tree when Neville walked in and i might have heard him complaining to the mandrakes about his username and he might have caught me eavesdropping

Blaise: might

Hermione: Okay, we still need to add him to the group. Can you add him?

Blaise: well

Blaise: yeah

Blaise: but

Hermione: But what?

Pansy: the hell is that username Longbottom?

Pansy: is that even allowed?

BigBottom69: Hi everyone! I don't know. It just happened! I've tried to change it but it won't let me. Something about not allowing users to change personal information for at least 60 days!

Bigbottom69: But I am free Monday, Wednesday, or Friday evening! I'm helping Professor Sprout in the greenhouses on Tuesday and Thursday!

Ron: mate that is hilarious

Ron: i cant stop laughing

Ron: this is so fucking funny

Ron: FOMCL

Pansy: @Hermione come get your man

Pansy: his wheezing is starting to encroach on my sofa space

Pansy: nvm i handled it

Hermione: @Pansy what did you do?

Harry: holy shit Pansy just tackled Ron off the sofa

Harry: she's holding him down

Harry: i'm over by Blaise out of the danger zone

Harry: oh but he's making a comeback

Harry: yeah get her Ron!

Hermione: Luna came by with gillyweed rolls. She had extra.

Pansy: are you getting high without me!!!!!????? is this what betrayal feels like!!!???

Pansy: you know that's our thing

Ron: saves you a lot of time and tears later

Harry: can confirm

Draco: Ugh, fine. If I must.

Draco: But this better be quick.

Harry: why

Harry: you got a hot date or smth

Harry: what's so important that you can't even bother with the group project that makes up half of our final grade

Draco: Potter.

Draco: Wouldn't you like to know? Butt out of my business. It's none of your concern.

Harry: look Malfoy all i'm saying is it seems awfully rude of you to brush this off when people are counting on you

Harry: i mean i'm not upset or anything i'm just saying

Draco: I didn't even want to be here in this stupid class in this stupid school. I could have been at home, away from all of you insufferable idiots. I didn't ask to come back to Hogwarts. I didn't ask for you to speak at my trial and tether me to this godforsaken institution for another year.

Draco: So you know what? Fuck you, Potter. Fuck you and your stupid Gryffindor heroics. Fuck this stupid project. Fuck my life. Fuck everything.

Draco** left **Mambo #5

Ron: wellllll

Blaise: my thoughts exactly

Blaise: hey u alright?

Blaise: that was kinda intense

Blaise: i know ur an intense kind of guy but not usually ~that~ intense

Draco: I'm fine.

Draco: It's just Potter. He knows how to make my skin boil. He's like a poison ivy rash that won't go away no matter how much I keep itching. It's like he keeps spreading, making me want to itch even harder.

Blaise: now that i have that lovely visual im glad ur okay

Blaise: but u know u can talk to me right? i can even put on earmuffs like we used to and pretend not to hear what ur saying

Draco: Hmm, I will consider it.

Draco: But thank you.

Draco: For the offer, that is.

Blaise: anytime

__Harry__ started a private chat with __Draco__

Harry: hey

Draco: You have 10 minutes to state your case before I block you completely.

Harry: look Malfoy

Harry: Draco

Draco: 5 minutes left.

Harry: wth it's barely been 10 seconds

Draco: Calling me by my first name is an automatic 5 minute penalty.

Harry: okay fine MALFOY

Harry: i just feel like we've gotten off on the wrong foot

Harry: this year is supposed to be different. the houses are working hard to get along and i thought maybe we could try to have a fresh start for the sake of house unity and stuff

Draco: Just because everyone else is pretending to be colourblind doesn't mean I have to. We are not friends, Potter. We will never be friends.

Harry: okay fine I get it

Harry: we don't have to be friends but we don't have to be enemies either. we could be something in between

Harry: we could be frenemies :)

Draco: Excuse me?

Harry: uhhhh like you know

Draco: No, I do not know. Try again.

Draco: 1 minute left.

Harry: fuck okay

Harry: i don't hate you Malfoy

Harry: i don't think I ever hated you really

Harry: can we call a temporary truce?

Draco: I will consider it.

Harry: great! that's all I ask

Harry: so did i pass whatever weird test this was and you're not going to block me now

Draco: Hmm…

Draco: Maybe.

Pansy *started a private chat with* ***Draco***

Pansy: omfg did you block Potter?

Pansy: you complete tit. Granger is on a rampage

Pansy: i am cackling

Draco: Stay out of this. I have it handled.

Pansy: like how you handled that little crush on Davies in fifth year and kept giving him detention hoping he would notice you?

Draco: WE DO NOT SPEAK OF THAT!

Draco: That was a long time ago! Since then, I have matured. I would never do anything so childish now.

Pansy: whatever you say darling

Hermione: Great meeting @Everyone! I've put everything that we discussed into a colour-coded chart. I've also compiled a list of reference materials that I believe will be useful for each section. The list is categorised by topic and tagged with key terms. Finally, I started the intro and background part of the essay. If anyone has time to look it over, it would be much appreciated.

Hermione: Let me know if you have any questions about anything! We're well on track for getting an O on the project.

Ron: cheers

BigBottom69: Everything looks good! Thanks for organising this!

Theo: ok

Blaise** started a private chat with **Draco

Blaise: can u switch with me??

Blaise: i dont wanna upset Granger but idk why she assigned me to make the mini models when im pants at anything mini if u catch my drift

Draco: I cannot.

Blaise: wowow rude

Blaise: even after all i did for u

Blaise: my ears could have been doing a lot of other things last night than listen to ur 2.5 hour monologue

Draco: I cannot switch with you because I already switched with Potter.

Blaise: oh

Blaise: i see how it is

Blaise: u call a temporary truce and suddenly ur bffs with the golden boy

Blaise: next thing u know ur shagging him too

Draco: That is not what is going to happen.

Blaise: tell that to all the eye fucking u 2 were doing during the meeting

Draco: I was NOT eye fucking Potter. I was simply glaring at him because he was being supremely annoying. It's his fault he decided to glare back.

Blaise: oh is that what the kids r calling it these days

Blaise: back in my day we called it ~flirting~ with ur ~crush~

Blaise: would u switch sections with me??

Blaise: please i am begging

Blaise: also very sry i gave out ur username like that but Granger can be very persuasive

BigBottom69: Hi Blaise! It's okay. I know right? Sometimes Hermione scares me.

BigBottom69: Sure I can switch sections with you! I was in charge of the sports comparison section. I started on the football part but didn't get to the Quidditch part yet!

Blaise: Neville u r amazing

Blaise: truly the best

Blaise: i could kiss u

BigBottom69: Errr it's okay. I don't mind switching!

Blaise: oh really

Blaise: i was wondering if any part of ur username was true

BigBottom69: I'm fine! It just went down the wrong pipe.

Draco: Try an Unblocking Charm. Potter can help you since he's closest. I can hear you hacking it all the way from the Slytherin table.

BigBottom69: Okay I'll try it. Thanks Malfoy!

Draco: Also, I'm keeping this picture as blackmail material.

Ron: why am i not surprised

—

__Harry__ started a private chat with __Draco__

Draco: Hi.

Harry: oh wow you actually responded

Draco: So it seems. Do you have an actual reason for contacting me or were you just trying to be annoying?

Harry: okay yep that's more like it

Harry: i was going to say it was nice of you to help Neville out but now idk if i want to

Draco: What do you want?

Harry: alright alright

Harry: i'm looking at the sources Hermione gave us and none of the books she listed are in the library. i think i'm missing something or maybe i'm reading it wrong

Draco: I didn't even know you could read.

Harry: haha very funny

Harry: so do you think you can help

Draco: The reason you can't find the books is because I checked them out.

Harry: wat

Harry: all of them???

Draco: Yes.

Harry: ok well how long do you need them

Draco: At least a month.

Harry: are you serious

Draco: Quite.

Harry: the project is due next week

Harry: how am i supposed to complete my section in time

Draco: That sounds like quite the dilemma.

Harry: that's not very helpful

Harry: Malfoy

Draco: Potter.

Harry: is there any way i can get the books sooner

Draco: I am thinking.

Draco: Okay, I've decided.

Draco: Meet in the library in 20 minutes.

—

Harry *started a private chat with* ***Draco***

Harry: hey thanks for letting me use the books

Harry: and the notes you gave me were super helpful too

Harry: you really aren't so bad once you get that stick out of your arse

Draco: Is that supposed to be a compliment?

Harry: idk maybe

Harry: alright yeah

Draco: Same to you, I suppose.

Harry: oh okay

Harry: well thanks then Malfoy

Draco: You may call me Draco if you would like.

Harry: wow okok

Harry: thanks Draco :)

Harry: does this mean we're friends now

Draco: I believe the term you used was frenemies unless there is another term you would like to use.

Harry: FWB ;-p

Draco: What does that mean?

Harry: NOTHING

Harry: FORGET I SAID THAT

Harry: that wasn't me!!! Ron took my phone when i wasn't looking! i didn't mean it!!!!!

Draco: Hmm… interesting…

Chapter 4: unexpected

Hermione: @Everyone Reminder to come early to Muggle Studies today so we can run through the presentation one last time! We have about twenty seconds at the end that needs to be trimmed. Theo, maybe you can get rid of the sentence about snake-themed sneakers. I've rewritten the essay and included everyone's parts.

Hermione: Also, before I forget. Neville, the mini models look amazing! I'm so glad we decided to include them.

Hermione: Great work everyone!

Hermione: I'm still waiting to hear back from everyone about meeting up before class.

Hermione: Hello? Is anyone here?

Hermione: @Everyone Please confirm that you have seen the above messages.
